

LOOKBOOK SS25

BagBase®

BAGBASE.COM

The New Season

Bags of style.

From pastel hues for the big personality to jewel tones for a more refined look, the new collections from BagBase® deliver versatile style in a rainbow of colourways.

This collection offers a dynamic blend of style, practicality, and subtle luxury. The playful hues of the Sundae collection bring vibrant energy to any wardrobe, while the understated elegance of the Simplicity collection maintains a chic, polished aesthetic, effortlessly transitioning for different uses. With a range of options designed to match diverse tastes, the collection embraces individuality and confidence in every piece.

The Sundae Collection

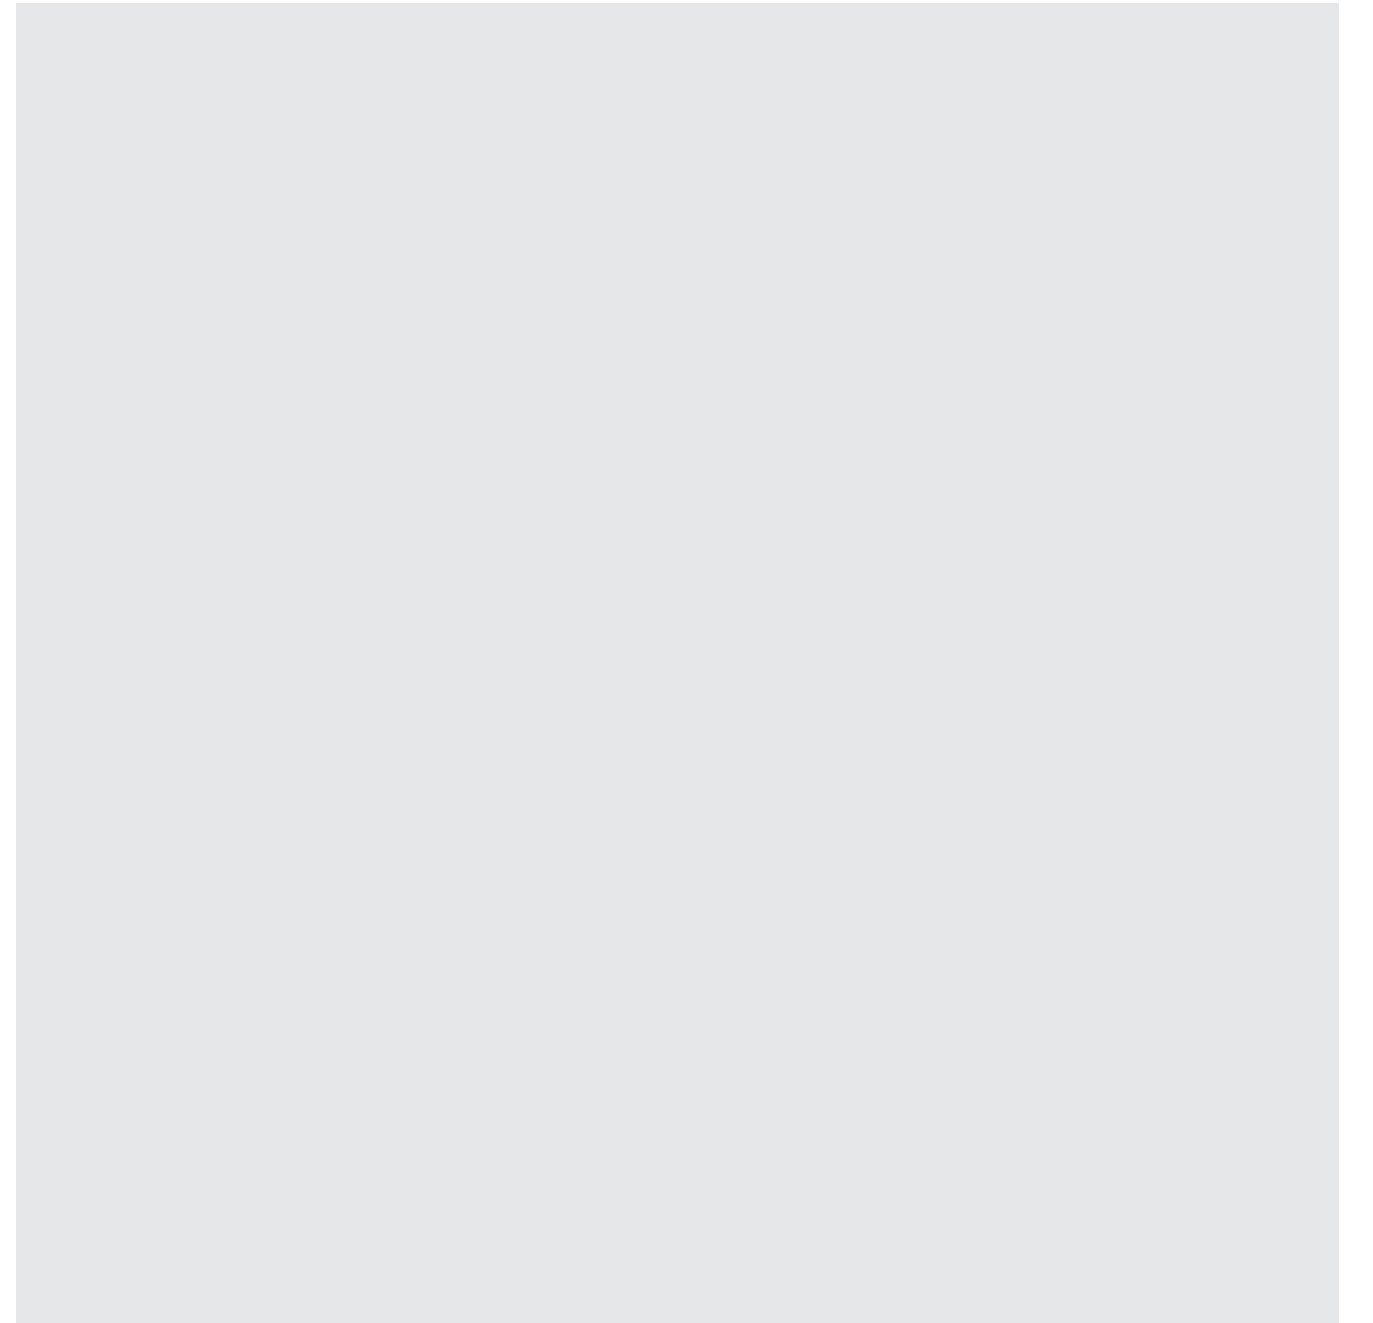

What's your flavour?

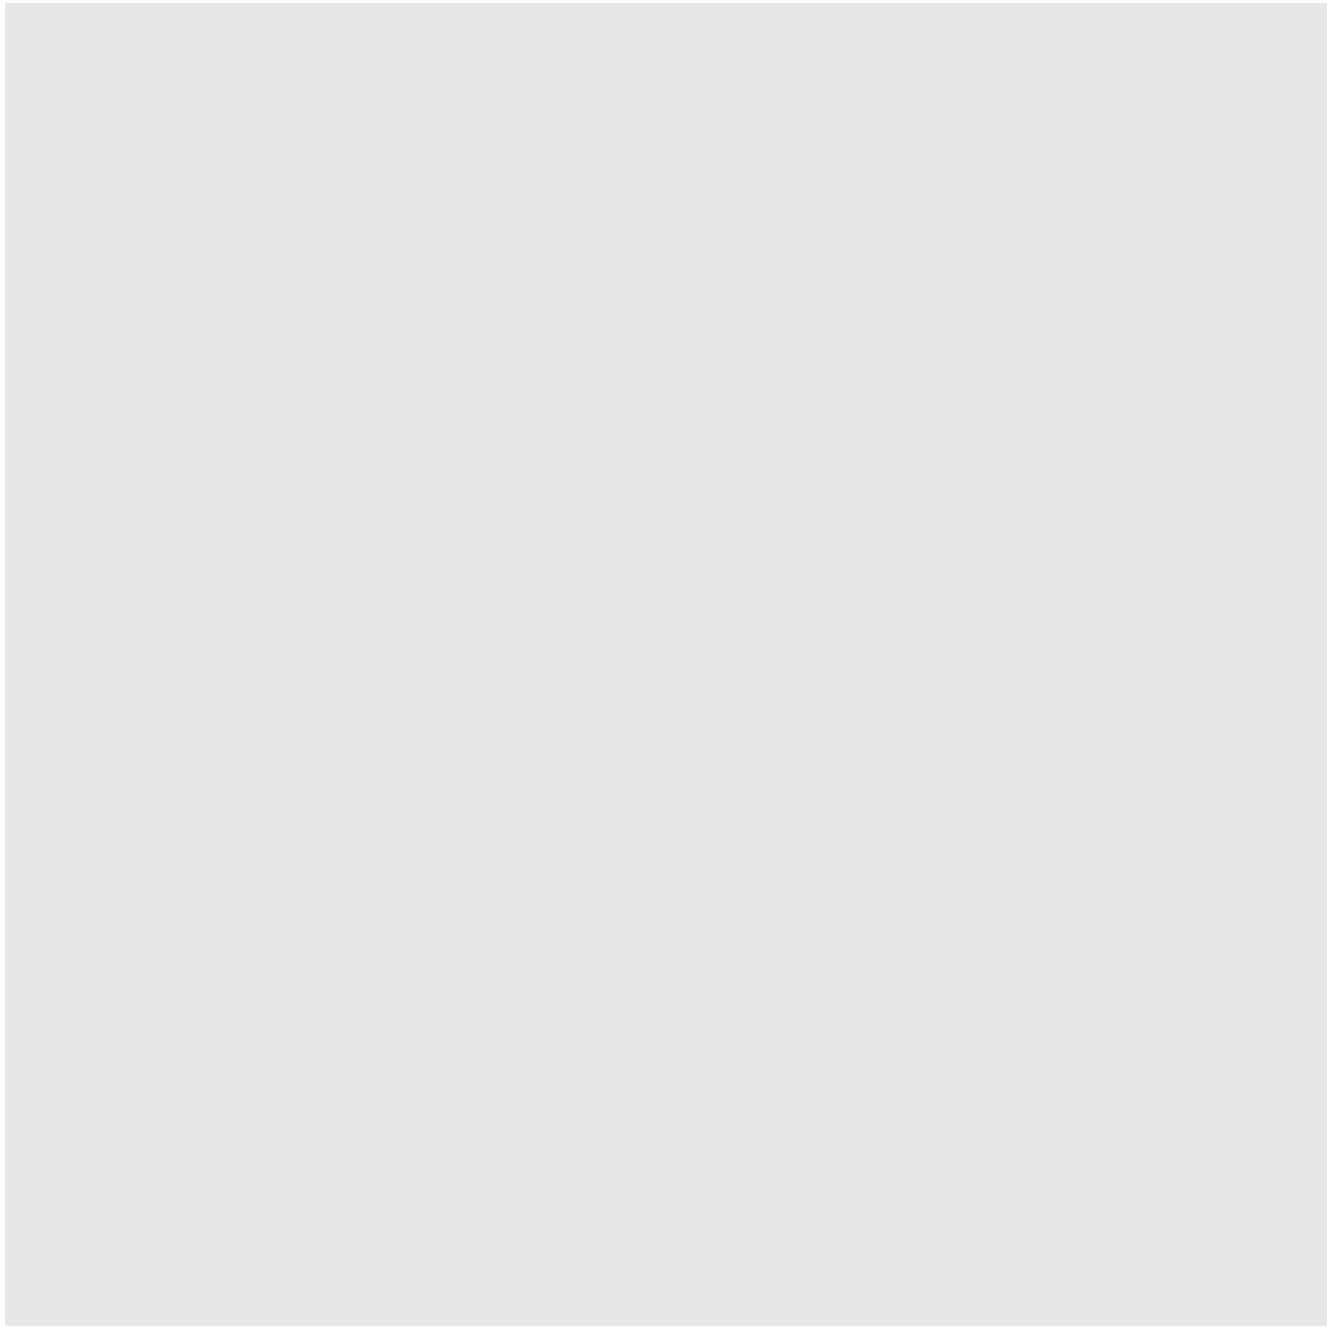

The Sundae Collection adds a burst of colour with its vibrant ice cream-inspired palette. With five fun and playful shades, these pieces add a bright statement to any outfit.
